COLLEGE COUNSELING

High school students work one-on-one with counselors to choose courses, receive advice on extracurricular commitments, and prepare their college list. Editing Partners assist students with crafting their college essays, identifying the best means for framing their talents and strengths, and creating a narrative that will showcase every significant dynamic of their story.

ACADEMIC & TEST PREP TUTORING

We offer one-on-one, private tutoring on a full-spectrum of subjects. We hire tutors with extensive teaching experience and a proven ability to help students with strategic skills to make a meaningful connection to the material they are studying. Our customized approach aims to enhance learning and provide the guidance and skills necessary for success for all grade levels.
