FALL EXTENSION ONLINE & IN-PERSON

AUGUST 15 - OCTOBER 5, 2023

The H3 Fall Extension is an opportunity for students to bridge the gap between the **summer program** and the **SAT and ACT test dates in the fall**. Most of Hamilton's **perfect scores** are earned on the October tests after just a bit more time working to hone and master skills. This program is offered to H3 students wishing to continue preparing with **targeted guidance** and practice from **experienced teachers**.

HOW DOES IT WORK?

- Students will take a **weekly practice test** whenever works best for their schedules.
- **Proctored testing** will be offered on **Tuesdays at 4:00 pm**, or students can **self administer** the test throughout the week.
- Students will attend weekly **seminars on Saturday mornings, OR Saturday afternoons**; these will cover critical reading, writing, math, and science (on ACT weeks).
- During the weeks of official tests, there will be no practice test and students will attend **review sessions on Wednesdays ONLINE or Thursdays at the CV office** instead of the weekly seminar.

SEMINAR SCHEDULE

Students must choose one of the following class times:
