

# BRAINIACS

## READING ENRICHMENT

June 10 – July 31, 2025

Over the years, our experience in teaching and supporting students has shown us that **developing strong foundational reading skills early is essential**. These skills not only give students a head start in exploring the literary world but also prepare them to excel across subjects as they progress to higher grades. Through engaging and thought-provoking novels, **students will be challenged and encouraged to actively participate in discussions**, fostering both comprehension and critical thinking. All books and packets included with enrollment.

### Interactive small-group classes:

- Improve Grammar
