

# FALL EXTENSION

**AUGUST 12 - OCTOBER 4, 2025**

The H3 Fall Extension is an opportunity for students to bridge the gap between the **summer program** and the **digital SAT, ACT, and PSAT test dates in the fall**. Most of Hamilton's **perfect scores** are earned on the October tests after just a bit more time working to hone and master skills. This program is offered to H3 students wishing to continue preparing with **targeted guidance** and practice from **experienced teachers**.

## HOW DOES IT WORK

- Students will take a **weekly practice** test whenever works best for their schedules.
- **Proctored testing** will be offered on **Tuesdays at 4:00 pm**.
  - SAT week - bring laptop to access digital platform
  - ACT week - bring laptop to access digital platform
- Students can **self administer** the test throughout the week.
- Students will attend weekly **seminars** on **Saturday mornings**, OR **Saturday afternoons**; these will cover critical reading, writing, and math.
- During the weeks of official tests, there will be no practice test and students will attend **review sessions** on **Thursdays at the CV office** instead of the weekly seminar.
